Compiling the Sprint-Backlog for the Proposed Project

Scrum board_BOOKBAZAAR

AMIT K | December 2, 2020

Product backlog	To do	In progress	Test	Done
I want to search items.	Updating item count in DB	Adding books to catalogue	proper display of search output	Home page & Login
I want to add book in my cart.	filter with author	Logout page	taking input query	Search Module
I want to know whether my order was successfully placed.				filter with discount offers
I have queries regarding my order.				Query modal layout
I want books which has discount offer on it.
